New Year. New Look. Same Heritage.

2020 marks our 40-year anniversary. To celebrate, we are launching a new logo and brand to better represent the company we are today. The new logo pays homage to our past, while setting a vision for the future. Designed to be simple, modern, and progressive, J.T.M.'s new logo features three dots that capture the essence of the brand story:

- The number three represents the company's past, present and future, and recognizes the three generations of family who have built J.T.M.
- The circular shape represents the plates, bowls and kettles at the heart of J.T.M.'s mission to provide best-in-class, kettle-crafted, culinary solutions to our customers
- The dots imply forward movement and continuation... the best is yet to come.

So, over the next year, you can expect to see elements of the new brand unveiled. We appreciate your patience during this transition, and thank you for supporting J.T.M.
