**IMPORTED ITALIAN DRY PASTA
ORGANIC & TRADITIONAL**

PERFORMANCE
FOODSERVICE

A CORNERSTONE OF ITALIAN TRADITION

Authentic Italian cuisine calls for authentic Italian ingredients. The Performance Foodservice family of Italian brands offers no less in our selection of impeccable Italian products. Our Piancone brand in the script logo identifies it as imported and represents the highest level of authentic flavor and quality insisted upon by discerning operators.

PIANCONE® IMPORTED ITALIAN DRY PASTA — ORGANIC AND TRADITIONAL

Performance Foodservice is pleased to offer a portfolio of USDA-certified Organic Pasta, made of high-quality durum wheat organic semolina that is grown in environmentally friendly conditions and raised without using pesticides. Piancone® USDA-certified Organic Italian Pasta is offered in convenient one-pound packages while the traditional Piancone® Italian Traditional Dry Pasta offerings are bulk packed. Both our Piancone® USDA-certified Organic and traditional pastas are produced in Italy and offers a wide variety of Teflon-die cut long and short cut pastas that are exceptionally versatile and delicious!

**SUPER PREMIUM HIGH PROTEIN
BRONZE & TEFLON DIE CUT PASTA
IMPORTED FROM ITALY**

PERFORMANCE
FOODSERVICE

A CELEBRATION OF ITALY'S FINEST

Piancone® Epicureo is Performance Foodservice's exclusive chef-centric epicurean brand of carefully selected products measured to the highest gastronomic standards. Products that bear the Piancone® Epicureo brand name carry an assurance they are carefully selected and produced to the highest standards of superior and craftsmanship.

PIANCONE® EPICUREO SUPER PREMIUM HIGH PROTEIN BRONZE & TEFLON DIE CUT PASTA IMPORTED FROM ITALY

Performance Foodservice proudly presents Piancone® Epicureo Super Premium High Protein Bronze & Teflon Die Cut Pasta. The durum wheat variety selected for Piancone® Epicureo is one of the finest in the whole world for milling and pasta-making characteristics. The high protein content (14%) and consequently the high-gluten content, inhibits the release of starch during cooking to preserve both the flavor and texture of the product. Piancone® Epicureo Pasta is extruded from Bronze or Teflon dies: the type used depends on the characteristics that need to be enhanced for each shape. The bronze-die process creates a more precise cut and abrasive texture to the external wall of the pasta allowing more cling that reduces the amount of sauce used in dishes.
