

GOURMET NEW YORK STYLE BAGELS

Delancey Street Deli® Gourmet New York Style Bagels are crafted from scratch using exceptional ingredients, including no trans-fat oils, no high-fructose sweeteners, and powdered barley malt. They are fermented for 12 hours to create depth of flavor and an outstanding crust. They are then kettle boiled and hearth baked. The result is a bagel with a crusty outside and a soft and chewy inside - a traditional New York Style Bagel.

Delancey Street Deli® Gourmet New York Style Bagels are available in 2 finishes, either par-baked or thaw-and-serve and as many as 9 popular flavors. They are perfect for any day part and are versatile and hearty enough for breakfast sandwiches, or as a grab-and-go, ready-to-eat deli item.

When it comes to delis, Performance Foodservice's roots go way back to 1885, just a few years before America gave birth to its first deli on Delancey Street in lower Manhattan in 1888. It's the same year our company Performance Foodservice was founded as Pocahontas Foods, which delivered food to restaurants, grocery stores, and yes, delis. Our company heritage also includes Roma Food founder Louis Piancone who started in the business as the owner of an Italian deli in New Jersey in 1955.

We thought it only fitting to call our premium gourmet deli brand Delancey Street Deli®, which pays homage to that small street where the first pastrami sandwich was made giving birth to America's first deli.

Delancey Street Deli® delivers gourmet products that are cleaner in ingredients and have taste profiles to satisfy the most discerning palates.

Look for Delancey Street Deli® brand on numerous products including whole muscle meats, sliced cheeses, rolls, dips, heat-and-serve soups, sandwich spreads and condiments, pickles, relishes, sauerkraut and gourmet cold prepared salads and other prepared foods.
