**\$450  
VALUE!**

**BUY 5 PRODUCTS**

**GET  
THIS  
'A' PROGRAM  
KIT FREE!**

**'A' PROGRAM PRODUCTS****TRIO PREMIUM DISH DETERGENT**

Super concentrated manual ware washing detergent with top notch grease cutting and soil removal power. This heavy-duty pot and pan detergent is highly fortified, so soils are emulsified and held in suspension until washed away. Easily and accurately dispensed with EZ Snap bottle and dispensing system. Floral scent.

2 / 1 gallon • #DV984

**SUPER SAN FOOD SERVICE SANITIZER**

Super concentrated quat-based sanitizer that is highly effective against a wide range of bacteria, viruses and fungi including Salmonella, Staphylococcus aureus and E-Coli when used a directed. Can be dispensed into sink for sanitizing dishes and wares or diluted and applied to food contact surfaces for general sanitizing.

2 / 1 gallon • #DW004

**KT CLEANER QUARRY TILE FLOOR CLEANER PACKETS**

Designed to clean and significantly improve traction on quarry tile floors. KT Cleaner is a unique detergent that deep cleans tile and grout, improving appearance and reducing the slippery feel of dirty, greasy tile. Packaged in 2 oz individual packets. Great on grout. Deep cleaning.

128 / 2 oz Portion Pack • #DT436

**SCENIC NON-AMMONIATED GLASS CLEANER**

Ready-to-use, streak-free cleaner that is ideal for use on glass and suitable for use on most hard, non-porous surfaces and plexiglass. Unique bag in box packaging with included spray bottle eliminates need for mixing and measuring.

4 / 1 gallon • #DT446 - Special Order

**HEAVY DUTY MULTI-SURFACE DEGREASER**

Concentrated degreaser that powers through tough grease on walls, kitchen equipment, concrete and other areas prone to heavy oil accumulation. Multi-Surface Degreaser can be used at full strength for heavy duty cleaning or diluted for use in power washers and general degreasing.

4 / 1 gallon • #DT444 - Available by Request

**ALL PURPOSE CLEANER WITH BLEACH**

Neutral pH floor cleaner designed to effectively clean sealed hardwood, marble and waxed floors. Leaves floors sparkling clean with no filmy residue. Diluted product can also be applied to non-porous surfaces as a general multipurpose cleaner. No rinsing required.

6 / 1 quart • #DV992

**HEATALIZER HEAT ACTIVATED GRILL CLEANER**

Heat-activated formula quickly softens food soils and carbon deposits, reducing the need for tough scraping and scrubbing. Saves time by eliminating the need to cool grill down prior to cleaning. Effective and safe for use on most grill surfaces including Teflon® and aluminum.

6 / 32 oz • #EA936 | 32 / 3 oz Packets • #DT452

**ENZYMATIC FLOOR CLEANER**

Professional strength floor cleaner enhanced with enzyme producing microorganisms that actively digest grease and organic soils even after mopping is done. Attacks grime embedded in floor cracks and crevices, leaving floors thoroughly clean and slip free.

4 / 1 gallon • #DV972 | 48 / 2 oz Portion Pack • #DV994

# VALUE MIX BLENDING SYSTEM

*THE ULTIMATE DISPENSING SYSTEM THAT OFFERS CLEANING POWER WITH EASY ONE HANDED FILLING.*

- LETS YOU BLEND UP TO 5 SEPARATE VALUE MIX PRODUCTS EACH AT ITS OWN CONCENTRATION.
- FEATURES FOUR PRODUCTS THAT ARE DISPENSED AT 1 GPM AND ONE PRODUCT DISPENSED AT 4 GPM.
- VALUE MIX 4 + 1 COMES STANDARD WITH DEMA'S UNIQUE ULTRA GAP AIR GAP PROPORTIONERS.
- SINCE PRODUCTS CARRYOVER IS LESS THAN 1 CC, YOU CAN SWITCH BETWEEN ACIDIC AND ALKALINE PRODUCTS WITH NO PROBLEM.
- COLOR CODED METERING TIPS DETERMINES THE DILUTIONS.

## VALUE MIX PRODUCTS

### CONCENTRATE GLASS & MULTI-SURFACE CLEANER

This concentrated, streak-free cleaner is ideal for use on glass and suitable for use on most hard, non-porous surfaces and plexiglass. EZ Snap bottle allows for automatic dilution and convenient dispensing with automatic dispensing system

2 / 1 gallon • #EA940 - Special Order

### SANI QUAD FOOD SERVICE SANITIZER

Highly effective quat-based solution that performs as sink sanitizer for dishes and utensils as well as a general sanitizing solution for nonporous surfaces like cutting boards, prep areas, counters and front of the house surfaces susceptible to dirt and germs.

4 / 1 gallon • #DW002

### HEAVY DUTY MULTI-SURFACE DEGREASER

Concentrated degreaser that powers through tough grease on walls, kitchen equipment, concrete and other areas prone to heavy oil accumulation. Multi-Surface Degreaser can be used at full strength for heavy duty cleaning or diluted for use in power washers and general degreasing.

4 / 1 gallon • #DT444 - Available by Request

2 / 1 gallon • #EA932

### KT CLEANER QUARRY TILE FLOOR CLEANER

Designed to clean and significantly improve traction on quarry tile floors. KT Cleaner is a unique detergent that deep cleans tile and grout, improving appearance and reducing the slippery feel of dirty, greasy tile. Easily and accurately dispensed with EZ Snap bottle and mop sink dispensing system or portion control packets.

2 / 1 gallon • #EB584 - Available by Request

### A-TACK LEMON FRESH DISINFECTANT CLEANER

One-step detergent disinfectant that is effective against a broad spectrum of bacteria. Kills 99% of bacteria when used as directed. Great in restrooms as a cleaner and disinfectant. Suitable for use in kitchens on nonfood contact surfaces to cut grease and soils.

4 / 1 gallon • #GH970 - Special Order

### PARADISE DEODORIZER AIR NEUTRALIZER

An advanced odor neutralizer & deodorizer, floral scent, highly concentrated.

2 / 1 gallon • #GM792 - Special Order

### ALL PURPOSE & FLOOR CLEANER

Neutral pH floor cleaner designed to effectively clean sealed hardwood, marble and waxed floors. Leaves floors sparkling clean with no filmy residue. Diluted product can also be applied to non-porous surfaces as a general multipurpose cleaner. No rinsing required.

4 / 1 gallon • #ET760 - Available by Request

### ENZYMATIC FLOOR CLEANER

Professional strength floor cleaner enhanced with enzyme producing microorganisms that actively digest grease and organic soils even after mopping is done. Attacks grime embedded in floor cracks and crevices, leaving floors thoroughly clean and slip free.

4 / 1 gallon • #DV972

### PREMIUM MULTI-SURFACE DEGREASER

Premium, heavy duty cleaner and degreaser formulated with special cleaning agents that greatly enhance cleaning efficacy. Emulsifies grease and oil and holds soils in suspension until wiped or washed away. Surfaces will be clean and grease free and spaces will be filled with the fresh scent of citrus.

4 / 1 gallon • #GH974

### PEROXIDE MULTI-SURFACE CLEANER & DISINFECTANT

Formulated to be a true multipurpose solution, effective on a wide range of non-food contact surfaces and glass. The easy-to-use platform simplifies the overall cleaning process and reduces the total number of cleaning products required to clean and disinfect.

2 / 1 gallon • #HE018

# IN-HOUSE DISHMACHINE PROGRAMS

*IF YOU ARE LOOKING TO ADD OR REPLACE A DISHMACHINE  
IN YOUR PLACE OF BUSINESS, WE HAVE THE FOLLOWING  
PROGRAMS AVAILABLE:*

1. PURCHASE PROGRAM: OUTRIGHT PURCHASE. (ADS OR CMA DISHMACHINES)

/ SSDC RENTAL PROGRAM. (ADS DISHMACHINES ONLY)

**ADS**  
American Dish Service  
Manufacturers of Ware Washing Equipment

## DISHMACHINE DETAILS:

WE ONLY OFFER ADS (AMERICAN DISH SERVICE) AND CMA (CHEMICAL METHODS ASSOCIATION) DISHMACHINES. WE CAN OFFER LOW TEMP, HIGH TEMP, UNDER COUNTER, SINGLE RACK, DOUBLE RACK AND CONVEYOR DISHMACHINES.

WE ALSO SELL DISH TABLES (CLEAN & SOIL), PRE-RINSE UNITS FOR THE SOIL TABLE, WALL RACK SHELVES AND OTHER WARE WASH ACCESSORIES.

WE WOULD BE GLAD TO COME IN AND ASSESS YOUR DISHMACHINE AREA. OUR TECHNICIANS CAN OFFER YOU THE GUIDANCE AND EXPERTISE TO SELECT THE MACHINE THAT BEST FITS YOUR NEEDS.

IF YOU DECIDE TO GO WITH OUR DISHMACHINE AND CHEMICAL PROGRAM, WE WOULD INSTALL THE NEW DISHMACHINE AT NO CHARGE TO YOU. WE DO ASK THAT ALL APPROPRIATE PLUMBING AND ELECTRICAL REQUIREMENTS ARE IN PLACE PRIOR TO THE INSTALLATION. WE DO NOT INSTALL OR WORK ON ANY VENTING REQUIRED.

TAKE ADVANTAGE OF THE **NO CHARGE** COMPLETE PFS INCLUSIVE SERVICE ON ALL AUTOMATIC WAREWASH EQUIPMENT. **TO PARTICIPATE IN THIS PROGRAM THERE WILL NEED TO BE A MINIMUM OF 6 PRODUCTS PURCHASED ON A CONTINUAL PURCHASING CYCLE. THIS REQUIREMENT CAN BE FULFILLED BY PURCHASING ANY SSDC/FIRST MARK BRANDED ITEMS, SUCH AS RINSE ADDITIVES, DETERGENTS, SANITIZER, DISINFECTANTS, AND SCALE REMOVER OR ANY OTHER ANCILLARY PRODUCTS IN THIS PROGRAM GUIDE.**

PLEASE CONTACT YOUR PERFORMANCE FOODSERVICE - OMAHA AREA MANAGER FOR FURTHER DETAILS.

# DISHMACHINE & WAREWASH PRODUCTS

7

## LOW TEMP

### LOW TEMP DISHMACHINE DETERGENT

High quality detergent formulated to work effectively in the low temp dish machine applications. Dissolves grease and food soils and remove stains for clean sparkling ware. Intended for use in automatic commercial dish machines and requires special dispensing equipment.

- (A) 1 / 5 gallon • #DT464 (B) 4 / 1 gallon • #DV974 (HD all temp)

### LOW TEMP RINSE AID

Formulated to ensure superior water sheeting and drying of dishware and utensils in low temperature dish machines. Non-foaming formula will help provide optimal wash conditions for each rack. Can also be used in high temperature dish machines.

- (C) 1 / 5 gallon • #EB582 | 4 / 1 gallon • #VG280 - Both By Request

### QUINTET CHLORINE SANITIZER

EPA approved commercial-strength chlorine sanitizer for use in low temp dish machines. Attacks pathogens and bacteria leaving dishes and utensils clean and sanitary. For use with automatic dispensing systems.

- (D) 1 / 5 gallon • #DT454 (E) 4 / 1 gallon • #DV998

## HI TEMP

### SOLID DISHMACHINE DETERGENT

Heavy duty, high temperature dish machine detergent formulated to work in the toughest water conditions. Provides excellent cleaning ability and use cost and is free rinsing. Intended only for use in automatic commercial dish machines with solid dispensing equipment.

- (F) 4 / 8# • #ET768 - Available by Request

### METAL SAFE DISHMACHINE DETERGENT

Premium powdered metal safe dish machine detergent formula. Specially formulated with extra metal protectors to make it safer and gentler on softer metals such as aluminum and pewter. Performs well in low or high temperature water conditions.

- (G) 4 / 10# • #GH942

### ALL TEMP DISHMACHINE DETERGENT

Low foaming, detergent that provides rapid soil penetration in high and low temperature dish machines. Suitable for use in all water conditions. Intended for use in automatic commercial dish machines and requires special dispensing equipment.

- (H) 1 / 5 gallon • #DV986 | 4 / 1 gallon • #DV974 (for high or low temp machines)

### PREMIUM HARD WATER RINSE AID

Premium rinse for high temperature mechanical dish machines in the final rinse operation. It lowers the water surface tension to speed surface drainage and provides clean, spot-free dish ware. Designed to work in most water conditions from soft to very hard water.

- (I) 4 / 1 gallon • #GH940 - Available by Request

### KLEER KWIK PLUS QUICK DRY RINSE AID

Highly concentrated, non-foaming rinse aid packed in unique EZ Snap bottles for use with automatic dispensing system. Non-phosphate water conditioners help water quickly sheet off dishes and utensils, reducing drying time and eliminating hard water spots. Suitable for use in high or low temperature machines.

- (J) 4 / 1 gallon • #DV990 | 1 / 5 gallon • #DT448

## EZ SNAP

### KLEER KWIK PLUS QUICK DRY RINSE AID • EZ SNAP

Highly concentrated, non-foaming rinse aid packed in unique EZ Snap bottles for use with automatic dispensing system. Non-phosphate water conditioners help water quickly sheet off dishes and utensils, reducing drying time and eliminating hard water spots. Suitable for use in high or low temperature machines.

(A) 2 / 1 gallon • #EA934

### PREMIUM ALL TEMP DISHMACHINE DETERGENT • EZ SNAP

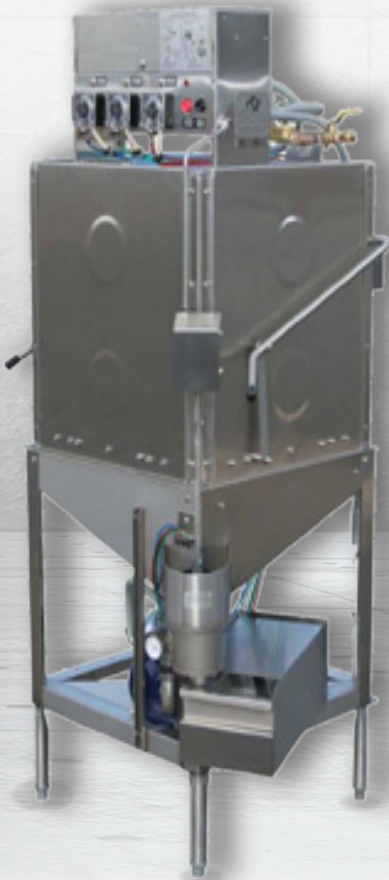

Super concentrated detergent designed for use in both low and high temp dish machines. Ultra All Temp is built with a unique blend of water conditioners and detergents that handle hard water and heavy soils. Packaged for use in the convenient EZ Snap dish machine dispensing system.

(B) 2 / 1 gallon • #EA916

### QUINTET CHLORINE SANITIZER • EZ SNAP

EPA approved commercial-strength chlorine sanitizer for use in low temp dish machines. Attacks pathogens and bacteria leaving dishes and utensils clean and sanitary. For use with automatic dispensing systems.

(C) 2 / 1 gallon • #EA938

# DISHMACHINE & WAREWASH PRODUCTS

## 3 COMPARTMENT SINK PRODUCTS

### PREMIUM LEMON DISH DETERGENT

Heavy duty lemon scented pot & pan detergent.  
Cuts grease & tough on soils.

- (A) 4 / 1 gallon • #GH946 - Available by Request

### EMERALD GREEN POT & PAN DISH DETERGENT

Highly concentrated, green detergent, great foaming,  
gentle on hands. Economical to use.

- (B) 4 / 1 gallon • #DT438 - Available by Request

### SANI QUAD FOOD SERVICE SANITIZER

Highly effective quat-based solution that performs as sink sanitizer  
for dishes and utensils as well as a general sanitizing solution for  
nonporous surfaces like cutting boards, prep areas, counters and  
front of the house surfaces susceptible to dirt and germs.

- (C) 4 / 1 gallon • #DW002

### LO FOAM BAR GLASS WASHER

For bar sinks manual low foam detergent. 1 oz per 2  
gallons of water.

- (D) 2 / 1 gallon • #GH952

### QUAT SANITIZING TABLETS

A quatarnary based tablet for third sink sanitizing bar glassware.  
SSDC • 6 / 150 ct • #81458 - Available by Request

### TRIO PREMIUM DISH DETERGENT

Super concentrated manual ware washing detergent with top notch grease cutting and soil removal power. This heavy-duty pot and pan detergent is highly fortified, so soils are emulsified and held in suspension until washed away. Easily and accurately dispensed with EZ Snap bottle and dispensing system. Floral scent.

- (E) 2 / 1 gallon • #DV984 EZ Snap

### SUPER SAN FOOD SERVICE SANITIZER

Super concentrated quat-based sanitizer that is highly effective against a wide range of bacteria, viruses and fungi including Salmonella, Staphylococcus aureus and E-Coli when used a directed. Can be dispensed into sink for sanitizing dishes and wares or diluted and applied to food contact surfaces for general sanitizing.

- (F) 2 / 1 gallon • #DW004 EZ Snap

## WAREWASHING ACCESSORIES

### FLATWARE PRESOAK

Softens soils and food deposits on flatware prior to dish machine cleaning cycle helping achieve a complete and more thorough clean. Available in EZ Snap bottle for auto dispensing with dish ashine dispensing system or in one-gallon concentrate.

**(A)** 4 / 1 gallon • #GH938

### FLATWARE PRESOAK ENCAPSULATED

Encapsulated powder presoak agent for use with professional dish machine dispensing systems. Effectively loosens food soils from flatware prior to machine washing. Encapsulated powder provides excellent value by requiring less product to achieve maximum effectiveness.

**(B)** 2 / 8# • #GH930 - Available by Request

### FLATWARE PRESOAK • EZ SNAP

Softens soils and food deposits on flatware prior to dish machine cleaning cycle helping achieve a complete and more thorough clean. Available in EZ Snap bottle for auto dispensing with dish ashine dispensing system or in one-gallon concentrate.

**(H)** 2 / 1 gallon • #EA930 - Available by Request

### DELIMER

Premium concentrated solution designed to remove and dissolve lime deposits and prevent lime scale build up. Use on commercial dish washing machines, coffee urns, glassware, steam tables, tile and other surfaces that are susceptible to lime and calcium deposits.

**(G)** 4 / 1 gallon • #EB586

### COFFEE POT CLEANER AND DESTAINER

Non-chlorinated destainer for coffee pots, tea urns, coffee cups, glasses and other ware that is prone to stains from food and drink. Convenient single use packets dissolve instantly in water and fizzing action actively scrubs away stains.

**(I)** 4 / 36 ct • #GH944

### DEEP BLUE HEAVY DUTY POT & PAN DETERGENT

Concentrated bulk detergent for manual dish washing. Effective at cutting grease and stuck on food particles while remaining gentle to the hands. Excellent for use as a multipurpose cleaner for counter tops and prep areas. Pleasant, lasting floral scent.

**(C)** 1 / 5 gallon • #DT460 **(D)** 4 / 1 gallon • #DV970

### ECO PINK ECONOMICAL PINK DISH DETERGENT

Pink pot & pan detergent with long lasting suds for efficient cleaning. Economical to use.

**(E)** 1 / 5 gallon • #GH950 **(F)** 4 / 1 gallon • #DV980

Both Available by Request

### RAVE PROFESSIONAL DISHWASHING DETERGENT

A Highly effective manual warewash detergent designed to handle tough grease and food soils.

**(G)** 6 / 32 oz • #DV308

# FLOOR CLEANERS & DEGREASERS

## DEGREASERS

### ECONOMY MULTI-SURFACE DEGREASER

Fast acting degreaser, low foaming, noncorrosive ideal for most kitchens & walls.

**(A)** 4 / 1 gallon • #ED570 - Available by Request

### SUBMISSION PREMIUM MULTI-SURFACE KITCHEN DEGREASER

Institutional strength cleaning agents. Perfect for foodservice, industrial & housekeeping applications.

**(B)** 4 / 1 gallon • #DT430

### PREMIUM MULTI-SURFACE DEGREASER

Premium, heavy duty cleaner and degreaser formulated with special cleaning agents that greatly enhance cleaning efficacy. Emulsifies grease and oil and holds soils in suspension until wiped or washed away. Surfaces will be clean and grease free and spaces will be filled with the fresh scent of citrus.

**(C)** 4 / 1 gallon • #GH974

### HEAVY DUTY MULTI-SURFACE DEGREASER

Concentrated degreaser that powers through tough grease on walls, kitchen equipment, concrete and other areas prone to heavy oil accumulation. Multi-Surface Degreaser can be used at full strength for heavy duty cleaning or diluted for use in power washers and general degreasing.

**(D)** 4 / 1 gallon • #DT444 - Available by Request

### SPECIAL PREMIUM OVEN & GRILL CLEANER

Concentrated oven & grill cleaner, solvent free, non-abrasive, low use cost.

**(E)** 4 / 1 gallon • #DT446 - Special Order

### FOAMING OVEN & GRILL CLEANER

Dissolves baked-on grease and carbon deposits on contact. Foaming formula clings to surfaces for maximum soil penetration, reducing the need for tough scrubbing. Convenient ready-to-use formula makes cleaning ovens and grills easy - just spray and wipe clean.

**(F)** 6 / 20 oz • #DV968

### HEATLIZER HEAT ACTIVATED GRILL CLEANER

Heat-activated formula quickly softens food soils and carbon deposits, reducing the need for tough scraping and scrubbing. Saves time by eliminating the need to cool grill down prior to cleaning. Effective and safe for use on most grill surfaces including Teflon® and aluminum.

**(G)** 6 / 32 oz • #EA936 | 32 / 3 oz Packets • #DT452

## DEGREASERS

### ORANGE PRO • READY-TO-USE

Heavy duty multipurpose inside/outside degreaser. Non-corrosive

(A) SSDC • 6 / 1 quart • #ED372 - Available by Request

### CLINGING DEGREASER™

Use as pre-treatment for difficult baked-on grease or as a general degreaser in hard-to-reach areas. Aluminum safe.

(B) SSDC • 4 / 1 quart • #CB088 - Available by Request

## FLOOR CLEANERS

### ALL PURPOSE PINE CLEANER

Pine scented all purpose cleaner. Economical, safe on floors, walls & restroom areas.

(C) 4 / 1 gallon • #DT432

### KT CLEANER QUARRY TILE FLOOR CLEANER

Designed to clean and significantly improve traction on quarry tile floors. KT Cleaner is a unique detergent that deep cleans tile and grout, improving appearance and reducing the slippery feel of dirty, greasy tile. Easily and accurately dispensed with EZ Snap bottle and mop sink dispensing system or portion control packets.

(D) 128 / 2 oz Packets • #DT436 2 / 1 gallon • #EB584 - By Request (E)

### ALL PURPOSE & FLOOR CLEANER

Neutral pH floor cleaner designed to effectively clean sealed hardwood, marble and waxed floors. Leaves floors sparkling clean with no filmy residue. Diluted product can also be applied to non-porous surfaces as a general multipurpose cleaner. No rinsing required.

(H) 4 / 1 gallon • ET760 - Available by Request

### EXCELLENT VINYL AND TILE NEUTRAL FLOOR CLEANER

Daily floor cleaner for vinyl floors. Ideal for general cleaning. It removes oils, greases, and stains from walls, kitchen equipment, glass, and floors.

(I) 128 / 2 oz Packets • #ED324

### ENZYMATIC FLOOR CLEANER

Professional strength floor cleaner enhanced with enzyme producing microorganisms that actively digest grease and organic soils even after mopping is done. Attacks grime embedded in floor cracks and crevices, leaving floors thoroughly clean and slip free.

(F) 4 / 1 gallon • #DV972 (G) 48 / 2 oz Packets • #DV994

# ANCILLARY KITCHEN PRODUCTS

## SCENIC NON-AMMONIATED GLASS & MULTI-SURFACE CLEANER • RTU

Glass & multi-purpose cleaner. Also effective on stainless steel, chrome & painted surfaces.

- (A) 4 / 1 gallon • #DT446 - Special Order

## SCENIC NON-AMMONIATED GLASS CLEANER

Ready-to-use, streak-free cleaner that is ideal for use on glass and suitable for use on most hard, non-porous surfaces and plexiglass. Unique bag in box packaging with included spray bottle eliminates need for mixing and measuring.

# A WALK THROUGH THE KITCHEN

## A WALK THROUGH THE KITCHEN

Cleanliness is the unspoken expectation of the foodservice and housekeeping industries. It defines your standards in the critical areas of health and sanitation.

First Mark® offers a full line of products that provide superior results, outstanding value, and solutions to your cleaning needs.

This reference guide suggests many maintenance techniques and offers product suggestions for effectively accomplishing these critically important tasks.

### 1 WINDOWS AND MIRRORS

Clean as necessary.

Tools: Cloth or paper towels.

1. Spray **Foaming Glass & Multi Surface Cleaner (GH978)**, **Glass & Multi Surface Cleaner (DT446)**, or **Glass & Multi Surface Cleaner (EA940)** on glass surface.
2. Wipe thoroughly with clean cloth or paper towel, turning frequently.

### 2 GRILL AND OVEN

Clean as needed.

Tools: Scraper and several cloths, rubber gloves and eye protection.

1. Scrape surface to remove heavy soils.
2. Raise or lower temperature of surface to 150°.
3. Spray on **Oven & Grill Degreaser (DV968)** or **Oven & Grill Premium Degreaser (DT466)** and wipe with cloth.
4. Rinse thoroughly with water to neutralize.
5. Try non-caustic, food-safe **Heat Activated Grill Clean Degreaser (EA936)** on hot grill surfaces.
6. Use **Heat Activated Grill Clean PC Degreaser (DT452)** or **Foaming Oven & Grill Degreaser (DV968)** for fast-action oven cleaning.

### 3 WALLS, HOODS, AND HARD SURFACES

Clean as necessary.

Tools: Pail, brush and sponge or cloth.

1. Wash or scrub surface with proper strength solution of **Citrus Premium Degreaser (GH974)**, **Multi Surface Degreaser (EA932)**, or **Premium Degreaser (DT430)**.

For a clean image  
choose First Mark®.  
It's the clear choice.

### 4 DEEP FAT FRYER

Clean as necessary.

Tools: Stiff brush, cloth or sponge, rubber gloves, and eye protection.

1. Drain and flush fryer to remove loose soil.
2. Close drain valve and fill tank above grease line with warm water.
3. Add **Fry Cleaner Boil Out PC Degreaser (DT450)** at 1–2 ounces per gallon of water.
4. Turn on heat. Bring solution to a boil for 20 minutes. Reduce heat, brush thoroughly.

**RUBBER GLOVES AND EYE PROTECTION ARE RECOMMENDED!**

5. Drain solution, rinse thoroughly with clear water, and dry before adding new oil.

### 5 HAND SINK

Clean daily.

Tools: Pail or spray bottle, cloth or sponge.

1. Wash sink with recommended strength solution of **Citrus Premium Degreaser (GH974)** or **Multi Surface Cleaner with Bleach (DV992)**.
2. Rinse and wipe dry.
3. Be sure hand dispenser is filled with **Gentle Pink Hand Soap (DV982)**.
4. Try any of these foaming skin care soaps for closed sanitary systems: **Foaming Antimicrobial Hand Soap (FR142)**, **Pink Foaming Hand Soap (GH928)**, or **Foaming Hand Sanitizer (GH936)**.

### 6 COMMODES AND URINALS

Clean as necessary.

Tools: Rubber gloves and bowl swab.

1. Remove as much water as possible from toilet bowl.
2. Spray **Multi Surface Cleaner with Bleach (DV992)** or **Low Acid Bowl Cleaner (GH972)** around inside top rim to reach flush openings.
3. Use swab or brush to scrub bowl surfaces, then flush.
4. For outside and seat, wipe with proper strength solution of **BLEACH (DV992)** germicidal detergent, or all purpose cleaners. Be sure to clean hard to reach areas (back side and tank bottom).

### 7 REFRIGERATORS AND FREEZERS

Clean as necessary.

Tools: Pail or spray bottle, sponge or cloth

INSIDE:

1. Wash inside of refrigerator or freezer with **Premium Citrus Degreaser (GH974)**, **Degreaser Multi Surface Cleaner (DT430)**, or **HD Pot & Pan Detergent (DV970)** and hot water.
2. Rinse and wipe dry.

OUTSIDE:

1. Wash with recommended strength solution of **Citrus Cleaner Degreaser (GH974)** or **Floor Cleaner (DT436)**.
2. Rinse and wipe dry.
3. Polish with **Stainless Steel Polish (EC628)**.

## 8 3 COMPARTMENT SINK MANUAL DISH WASHING PROCEDURE

Tools: Abrasive pad and stiff brush.

1. Fill each sink with hot water (110°–120°). Scrape or pre-flush dishes to remove loose soils.
2. Wash in first tank, using **Premium Pot & Pan Detergent (DV984) (DT460)** or **(DV970)** at recommended use dilution.
3. Rinse in second tank, using clear water.
4. Sanitize in third tank, using **Super San (DW004)** or **Sani Quad (DW002)** at recommended use dilution. Always follow local health department regulations.
5. Allow dishes to air dry and store in a clean, dry, protected area.

## 9 FLATWARE PRESOAKING

Soak after each use.

Tools: Bus tub.

1. Premix a solution of hot (110°–120°) water and **Flatware Presoak (GH938)** at recommended use dilutions.
2. Place utensils or flatware in solution for 15 minutes.
3. Remove from presoaking solution, place in racks for dishmachine, and rinse thoroughly. **Do not put presoaking solution into mechanical dishmachine.**

## 10 FOOD PREPARATION SURFACES

Clean daily and as necessary.

Tools: Pail or spray bottle, and sponge or cloth.

1. Wash with recommended strength solution **HD Pot & Pan Detergent (DV970)** and hot water.
2. Rinse with clear water.
3. Sanitize with recommended strength solution of **Super San (DW004)** or **Sani Quad (DW002)** and hot water.

## 11 DISHMACHINE OPERATION

See your Chemical Specialist for proper detergents, rinse additives and operation procedures.

OUTSIDE: Clean as necessary.

Tools: Several cloths.

1. Wipe entire outside of machine with recommended solution of **Lime Scale Remover (EB586)** or **Premium Degreaser Cleaner (DT430)**.
2. Rinse and wipe dry.
3. Polish machine with **Stainless Steel Polish (EC628)**.

INSIDE: Clean weekly.

1. Turn off detergent dispenser.
2. Add recommended amount of **Lime Scale Remover (EB586)**.
3. Fill machine.
4. Run machine for 10 minutes, or until any water hardness film is removed.
5. Drain and flush. Before operation, turn detergent dispenser on.

## 12 FOOD SLICER, MEAT SAW, MIXER, CAN OPENER

Clean after use or daily.

Tools: Pail or spray bottle, stiff brush, and cloth or sponge.

1. Disassemble and wash all non-electrical parts in the 3-compartment sink. (See #8)
2. For base and non-removable parts, wash with a recommended strength solution of **Floor Cleaner (DT432)** or **HD Pot & Pan Detergent (DV970)**.
3. Rinse with clear water.
4. Spray or wipe with a recommended strength solution of **Sani Quad (DW002)** and allow to air dry before reassembling.

## 13 FLOOR CLEANING

Clean daily and as necessary.

Tools: Mop bucket with wringer and mop, broom, wet floor signs

1. Sweep floor.
2. Mix proper strength solution of hot water and **Quarry Tile Floor Cleaner Portion Control Pack (DT436)**, or **WITH COLD WATER ONLY, Enzymatic Floor Cleaner (DV972)**, in a mop bucket. Post "wet floor" signs when done.
3. Using a clean mop, apply solution generously to floor with mop, overlapping mop strokes.
4. Repeat if necessary on heavily soiled areas.
5. Pick up excess solution with mop, wringing it out frequently.
6. Allow to dry. Remove signs.

## 14 DRAINS

Clean as necessary.

Tools: Rubber gloves and eye protection.

Regular maintenance:

Pour 1 cup of **Enzyme Drain Maintenance (GH920)** into drain nightly to keep drains clear and odor free. For high volume areas, automatically dispensed **Enzyme Drain Maintenance (DT442)** in 5 gallon buckets is an economical solution to eliminating drain problems.

## 15 DINING TABLES

Clean as necessary.

Tools: Pail or spray bottle, brush, and sponge or cloth

1. Wash surface with proper strength solution **A TACK (GH978)** germicidal detergent or **Sani Quad (DW002)** sanitizer.
2. Allow to dry.

## 16 MISCELLANEOUS

DE-STAINING PLASTIC WARE

Tools: Bus tub or sink.

1. Fill tub or sink with hot water (150°–160°).
2. Mix proper strength solution of **Portion Control Cleaner & Coffee Pot Destainer (GH944)** and water.
3. Soak ware for 15 minutes.
4. Rinse with clear water.

CONCRETE DRIVEWAYS, DOCK AREAS, etc.

Tools: Stiff scrub brush or broom.

1. Wet area to be cleaned.
2. Apply **Quarry Tile Floor Cleaner Portion Control Pack (DT436)** or **HD Degreaser Multi Surface Cleaner (DT430)** to surface.

3. Scrub cleaner into concrete.

4. Allow to stand for 15 minutes.

5. Rinse well. Repeat if necessary.

ORNAMENTAL STAINLESS STEEL

Tools: Clean, soft cloth.

1. For all non-food contact stainless steel surfaces, spray lightly with **Stainless Steel Polish (EC628)**.
2. Polish with soft clean cloth, turning frequently.

AEROSOLS

1. **Foaming Oven & Grill Cleaner (DV968)**

Low-odor, foaming oven cleaner

2. **Foaming Glass & Multi Surface Cleaner (GH978)** – Foaming, ammonia free glass and multi-surface cleaner

3. **Protect (EC628)** – Stainless steel polish
